Products to battle winter woes

p.82

THE BIG CHILL

From out-of-control frizz to facial frostwork, the latest and greatest beauty products ensure that winter beauty woes will be relegated to ice age status. by Jeryl E. Spear

ThermaFuse HeatSmart Serum

a dry oil, leave-in treatment, can be used as a hydrator, styler, porosity equalizer, finisher, and heat protector (pew!), thanks to a slew of active ingredients, including Heat Smart Complex and a proprietary blend of three certified organic oils.
